

## CEFC

### Cercle des Entrepreneurs Francophones de Corée

### General Information – Oct 2009

Created at the end of 2006, this French non-profit association (loi 1901 sur les associations à but non lucratif) aims at helping French speaking entrepreneurs creating and running small and medium enterprises in Korea. This collegial association meets every two months to welcome new comers and share news, and also prepares fact sheets about the subject to help members with relevant information.

Please find herewith the members list and our contact numbers:
